

# Rizon Jet

Our company is expanding its services to become an integrated private and corporate jet provider

Rizon Jet was founded in 2006 and is headquartered in Doha, Qatar. Rizon Jet pursues a holistic and customer-centric approach to business aviation, providing private travel solutions and business aircraft services to today's time-pressed traveller.

Its mission is to meet increasing demand for corporate aircraft charter in the Gulf States and expand its services with aircraft maintenance services and build on its aircraft trading and management arm. The company offers all the services expected of a turn-key business jet operation.

Rizon Jet operates sizeable hangars and FBO (Fixed Based Operation) / VIP Terminal at both Doha International Airport and London Biggin Hill.

These two bases will become authorised service centres for several OEM's, primarily serving business jet operators in the Middle East and Europe.
