
Valljet

VALLJET is a private jet company based at the two biggest business airports in France: Paris le Bourget and Cannes-Mandelieu

VALLJET, your own private airline...

The company was created in 2007 by three French business men who were big travellers themselves, their question was: How to combine punctuality and mobility? The VALLJET private jet service was the solution. The initial base was located in Paris but now the company has expanded with a new base on the French Riviera at Cannes-Mandelieu.

Flexibility

VALLJET arranges your travel according to your needs and offers you a full and individually-tailored service.

Security

VALLJET flights are operated under stringent safety standards approved by the French Aeronautical Authorities.

Customized Service

VALLJET offers you different levels of service:

- Charter flights 7 days a week
- Purchase of flight time packages (from 25 to 200 hours)
- Aircraft management services

The VALLJET team is at your disposal to give you the best services and solutions, just ask!
