
Metrojet

Metrojet is Hong Kong's fully licensed business jet operator, providing the complete range of business aviation services

Metrojet Limited was established in 1995 and is part of the Kadoorie Group, a sister company of The Peninsula Hotels. Metrojet is a leading operator and maintenance provider of business jets in the region and pioneered business aviation services in Hong Kong. The company was awarded an Air Operator's Certificate (FAA Part 121 equivalent) in 1997. Metrojet is Hong Kong's fully licensed business jet operator, providing the complete range of business aviation services, including: aircraft charter, comprehensive aircraft management, aircraft maintenance and aircraft consultancy.

Metrojet's charter aircraft are available 24 hours a day and can fly directly to customers' chosen destinations, including smaller and remote regional airports that are underserved by scheduled airlines. Metrojet strives for operational and service excellence through providing world class cabin service and all aircraft are flown by highly trained and experienced international pilots who undergo scheduled recurrent training and proficiency checks at training facilities around the world.

Enabling Life's Journeys. Through Excellence

With over 100 maintenance professionals, Metrojet operates a 24/7 maintenance and AOG hotline to support corporate aircraft around the clock throughout Asia.

Metrojet's maintenance department is a Repair Facility with approvals from manufacturers including Gulfstream, Bombardier, Beechcraft, Cessna, Pratt & Whitney, Rockwell & Collins and Honeywell. Metrojet is also Embraer's first authorised service centre in Greater China to provide line and base maintenance for Embraer's customers. Metrojet's maintenance department is a fully certified repair station with approvals from both the Hong Kong Civil Aviation Department and the United States Federal Aviation Administration.
