
Deer Jet

Launched in 1995, Deer Jet is the pioneer of professional business aviation in China

Deer Jet was the first aviation company in China to offer dedicated business aviation charter services and it has the largest and newest fleet of charter aircraft in Asia.

Today, Deer Jet operates a fleet of more than thirty aircraft including: Boeing Business Jet, Airbus 319, Gulfstream 550, Gulfstream 200, Hawker 900 XP, Hawker 850 XP and Hawker 400 aircraft types which means we can offer you the perfect aircraft for your needs.

Deer Jet has the best safety record in Chinese Business Aviation and has safely touched down more than 18,000 flights and flown for more than 40,000 hours.

From our base in Beijing we can fly to 477 Domestic and International Airports around the World.
